A CONSTITUTIONAL SANCTUARY COUNTY

SHOULD FREE PEOPLE BE JAILED FOR RESISTING WHAT OTHERS SWORE PUBLICLY AND WILLINGLY NOT TO DO?

“...whensoever the General Government assumes undelegated powers, its acts are unauthoritative, void, and of no force.”

- **Thomas Jefferson (1798)**”

“...a law repugnant to the Constitution is void...”

- **Marbury v. Madison, (1803)**¹⁵

“An unconstitutional act is not law; it confers no right; it imposes no duties; it affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed.”

- **Norton v. Shelby County, (1886)**¹⁶

Whose values are reflected in the Constitution?

The Left's or Right's?

Yours or mine?

Those values create the line that has divided our world from the beginning. They are what created Western Civilization, improved it, created our Republic, and has caused most of the wars, internal and external, in order to see it preserved. They are the principles dividing the entire world today.

We are scheduling Town Hall meetings to rediscover our Constitution.
